

RELEASE CRAIG JOHNSTON PETITION

To:

The Hon Rob Hulls MLA, Attorney General of Victoria;
The Hon Steve Bracks MLA, Premier of Victoria

We, the undersigned, support Craig Johnston's immediate release from jail for the following reasons:

1. Craig Johnston is the only person involved in the Johnson Tiles dispute who is serving a custodial sentence for his involvement.
2. The 17 co -accused all received small fines and good behaviour bonds or had their charges dismissed.
3. The role played Craig Johnston was no different than the role played by the 17 co -accused.
4. Craig Johnston has been treated differently because of his prominent role as a leading trade union official.

The signatories call upon the Bracks Government to demonstrate compassion in the interests of justice by releasing Craig Johnston.
