# PETITION

TO THE HONOURABLE THE SPEAKER AND MEMBERS OF THE HOUSE OF REPRESENTATIVES [or SENATE] ASSEMBLED IN PARLIAMENT:

The petition of the undersigned, being citizens of the Commonwealth of Australia draws to the attention of the House that giving only a "man and a woman" the right to marry enshrines second-rate citizenship for same-sex couples. We call upon the Senate to repeal the ban on same-sex marriage and institute equal marriage rights for all couples.
